This is a beautiful book and Shakta is a fabulous teacher. After reading, The Yoga Way to Radiance, I want to buy this book for every mother, teacher, or anyone who works with children. I found that after reading this I interact with children from a more honest place. It helped me release internal issues. This book will change how children respond to adults and how adults respond to them. My wish is especially for every mom to read this book. The world will be a more beautiful

place. Thank you Shakta, for your wisdom with children.

The Yoga Way to Radiance is a must read! I started reading it and was not been able to put it down. The way Shakta Khalsa so skillfully writes about the science of Yoga and how living Yoga can be transformative..benefitting children on a developmental and deeply soulful level. Shakta beautifully weaves in science, statistics and research to support her findings: her own very personal and poignant journey in pursuit of self evolution...as well as other people's life experiences in such a detailed and brilliantly comprehensive way. You will easily find effective yoga exercises, meditations, techniques to help adults stay connected to their own authenticity-inner self to enhance and nurture their own interactions with children. The Yoga Way to Radiance is beautifully written and is an extraordinary book. I highly, highly, highly recommend!!!Suzanne Silver, LMSW, Healer and Yoga Teacher
