Homemade HF Antennas (Amateur Radio HF Antennas Book 3)

Synopsis

Imagine! You are suddenly getting 59+ signal reports. You proudly answer that you are running a barefoot • and using a homemade HF antenna. You're in amateur radio heaven. Nothing compares to the intense satisfaction that the amateur radio operator derives from having built a fully functional homemade amateur radio HF antenna. Planning, gathering the parts, assembling, adapting, testing and, finally, making memorable contacts with your homemade antenna are priceless moments in an amateur's life. The rewards are many, as you will see. This e-book is designed to help you reach that level of satisfaction.
