Choices For College Success (3rd Edition)

Synopsis

For courses in Student Success or First Year Experience. The activities and strategies in this book focus on three core principles—critical thinking, priority management, and personal well-being. These form the foundation for academic, career, and life success. Choices for College Success emphasizes the power of personal choice and responsibility to help students maximize their talents and minimize their anxiety by building successful habits. MyStudentSuccessLab (www.mystudentsuccesslab.com) helps students to “Start strong, Finish stronger” by acquiring the skills they need to succeed for ongoing personal and professional development.

Teaching & Learning Experience: Power of Personal Choice and Responsibility Choices for College Success demonstrates how organized action and critical thinking will help students achieve academic success, create a healthy and balanced life, and realize their dreams. This program provides:

- Personalized Learning with MyStudentSuccessLab: Whether face-to-face or online, MyStudentSuccessLab helps students build the skills they need through peer-led video interviews, interactive practice exercises, and activities that provide academic, life, and professionalism skills.
- Critical Thinking: The RED Model for critical thinking presents an eloquently simple and practical model to carefully analyze and address school and life challenges.
- Priority Management: Provides personal assessments and activities for students to reflect and apply the strategies introduced around the “choices they make” and take responsibility for their journey using key principles underlying student success.
- Personal Well-being: A multi-dimensional model for personal well-being and balance helps students navigate the transitions and adjustments to college life and is critical to their overall sense of balance in life.

Customer Reviews

i'm not fond of this book. it isn't anything special because it doesnt tell me anything i dont already know. i think this would be better for a high school student than for a college student. not a very helpful book, but it arrived on time. barely used for my classes.

The book was really bad at the bottom of it wrinkled and creased bad

came quickly, helped during my freshman university class!

Came a little worn on the outside, but that was to be expected for a rental book. Inside is intact and no writing.
