## Synopsis

What might have been...Cute librarian Tim finds himself long overdue for a boyfriend. He hasn't even had a date in almost a year. Which explains why he can't keep his eyes off the handsome construction worker renovating the library! Sporting bulging biceps and tight jeans, macho Karl seems as straight as the steel beams he carries by the circulation desk. Still, the blue collar stud's killer smile melts the librarian's heart. A *déjà vu* moment leads the two young men to discover the past has a way of catching up with you. Will fate, and their own choices, deny them the chance to find out what might have been? *Checking Him Out* is a short, standalone gay romance with explicit scenes and an HEA ending.

## Customer Reviews

Filled with playful and flirty banter, this was such a fun read that I found myself blinking at my tablet when I was done, surprised that any time had passed at all. The sparks between Tim and Karl are almost snuffed before they get a chance to ignite when Tim recognizes Karl from an incident years earlier, and I loved the gestures Karl made to prove how far he's come in the years that have passed. I found myself snickering at Karl's bluntness, he's a little rough around the edges,

but that's exactly why I thought he was such a great balance for Tim's slightly more reserved manner. This is a feel-good book that was a great way to decompress after a long day when I was looking for something quick, sexy and light-weight. Please note that I received a complimentary copy of this book in exchange for my honest review.

This is a wonderful, sweet, and easy tale about Tim, a librarian, and Karl, a construction worker. I loved how the two men fit together like two halves of the same whole, and the snarky banter between them from the very beginning. If you want a quick read that leaves you saying awww, then this is the perfect story for you. ARC given for an honest review.

What a cute story ! It has some of my favorite elements...a library, books and two hot guys !! love Tim and Karl's characters. I think the author did a great job of balancing the construction worker with the librarian. It was a quick read, had to pack a lot into a few pages but did this well. Can't wait to see what Devyn has for us next !!! received a free copy of this work in exchange for an honest review.

Devyn Morgan has done it Again. Writing as super cute story where u cant help Fall in love with the main caraters. But if u Think its only sweet ur Are so Wrong it funny and super hot too. I Can truely recomend this book. As an ARC reader i resived this book for free in return for an hounest review hugs toni ☺

Checking Him Out by Devyn Morgan. I liked Checking Him Out. I was really excited to read Checking Him Out after reading the synopsis about this book cause who doesn't love a cute librarian and a hot construction worker. The part that I really didn't care for was that the construction worker was somebody that had made fun of the librarian back in college when he was short and fat. And it completely ruined the crush that he had developed after helping the student to locate a book in the library. I did like how he apologized and brought in his other friend that had been there also to apologize. The chemistry between Tim and Owen/Karl is hot and steamy and worth reading the book for. I loved all of the cheeky comments. They made me laugh. Overall, Checking Him Out is a cute, funny book. I received this free book in exchange for an honest review.

I love stories about librarians and this was really a cute and humorous story. Karl is a construction worker at the library where Tim works. Karl is a hunk and Tim is a twink from the sounds of it. There

journey to love is such a pleasant read. I know others will really enjoy this story. It's a quick read with low angst and hot gay sex. Perfect to read to help recover from more intense stories. I was given this story free in order to give an honest and unbiased review of it.

Tim works at the library and Karl is a construction worker. Karl asks Tim out but Tim quickly realized he knows Karl from back in HS! Karl doesn't remember Tim and when he does he wants to make amends. So they talk and it goes from there. WILL Tim give Karl a chance? I loved this book so much!! Please read!! I was asked for an honest review and did receive a copy.

Really sweet second chance love story. I read this in one sitting, it was really entertaining. I would definitely recommend it if you're looking for a fun, quick read with some heat. The chemistry between Karl and Tim was great, and I loved their banter. I received a free copy in exchange for an honest review.
