No More Porn - The One Minute Way To Break Your Addiction To Porn, From The Perfect Privacy Of Your Mind, Without Telling Anyone Your Business!

Synopsis

Are you struggling with a porn habit you just can't break? I know exactly how you feel. Has your porn use become obsessive compulsive you can't resist? I once felt the very same way. Has everything you've tried - porn blocker software, accountability partners, willpower - failed? It's not your fault. They're crutches and they never work for long because you're never truly free. Do you waste hour after hour after hour looking at porn, one video after another, when you know you should be doing something else? Anything else? Me, too. Before I ended my addiction to porn. Do you fear deep in your soul that you will NEVER quit using porn - because you like it too much - and that is NEVER going to change? It's not porn you love, my friend. It's lust. Porn is just the delivery system. That distinction matters. Are you afraid your porn habit could destroy your marriage because your wife thinks it's all about her even though you know it's not? But that won't change how she feels. She wants you to stop. And so do you. Is your desire for porn blinding you to the consequences of your uncontrollable behavior? That won't stop them. You just won't see them coming. I broke my addiction to porn. I found a way out. I discovered an answer to my addiction and I put it into this book. This book is the first and only book anywhere that makes a promise about your addiction to porn: Follow the Protocol in This Book and You Will Break Your Addiction to Porn! I Guarantee it! The first and only book anywhere? • Do you think I'm making this up? Search the internet and see for yourself. Google it. "Porn addiction promise." You won't find a single site promising that their way will end your addiction. Not one book, program or treatment anywhere makes a single promise about the effectiveness of their system. No More Porn does. But not only that, I show you what to do after you're free of porn. I'll teach you how to re-create for yourself A Life That Matters using the energy you won't be wasting on porn anymore. The One Minute Way is simple. But it won't always be easy. Porn is easy. Self-discipline focused on a worthwhile goal is hard. But it's the struggle that makes the goal worth reaching. The mountain worth climbing. The life worth living. Breaking your addiction to porn can be the first step to recreating your entire life, refocusing your drive, concentrating your ambitions and reclaiming your lost dreams and forgotten ideals. That's what freedom from pornography can mean for you. About the author Thomas Godson is an pseudonym. In an age when everyone seems to want to get noticed and applauded for overcoming an addiction, I'd just as soon not. I'm not proud of my past behaviors, but I did break free and I know what I learned can help you. So I guess that means I have a message to share. A message that has already changed many lives all over the world. A message that can free the good men trapped compulsively porning hour after hour, while those they love are transformed into annoyances, barriers to the satisfaction of their lust. Nice. Customer Reviews

Note : I am not a native English speaker. Author had a good way of expressing his ideas and has written the book in simple sentences in interactive way, but my biggest problem was not telling the name of it's technique from beginning. He is using EFT "Emotional Freedom Technique" which I had used before and I was not happy with. In rest of the book but last chapter he calls his way of recovery "The way" or "The one minute way" and he only offer this to all the problem with porn addiction. I can summarize the book in two sentence: You have problem just apply EFT, more problem do it more, and don't forget to be precise. I would not buy the if I had read in the Kindle sample or Table of Content that he is going to talk about EFT (even it is only EFT). There are plenty of video and articles available for EFT for FREE.
