Customer Reviews

badï CEit has been usedï CEoldã do not buyã

I think I will never buy a book from this store after this terrible deal, this book in my country just cost more than 40 RMB (it means more than 6 USD), but I bought it on this store, it cost me more than 30 USD, 5 times oh my GOD! it’s really break my glass heart. And this book seem like bought in year 2010, write 2 pages note. BAD.

The content is good, but I have to say the book is so old. It has been used by many people I think..

like it a lot. but i thought i will get a CD for it. but its need download from website.
