Customer Reviews

My Tai Chi class has been receiving these calendars for years for Christmas. Very informative if you are into martial arts or Tai Chi. Every month has a different Tai Chi movement in a large colorful picture, the name of the movement and the person performing the movement. Each month has a Chinese proverb. Also a spirituality about the calendar; it's a wonderful calendar. Definitely worth the money!

high-quality printing of fine, evocative photos of real taijiquan masters in action in idyllic natural scenery. my only reservation, (otherwise, this would be a 5 star review) is that, for some reason, I thought that this was a 16-month calendar. maybe next year?

Great pictures and some nice quotes. If you like Tai Chi or Eastern philosophy, this would be a good choice.
