Locked (PresLocke Series Book 2)

Synopsis

“ACE LOCKE JETS OFF TO SIN CITY WITH MYSTERY MAN” “Sorry, ladies” and fellas” Hollywood’s hottest action star, Ace Locke, is officially off the market! The man on Locke’s arm has been identified as Dylan Prescott, the sexy new model currently featured in the latest Calvin Klein ads. Sources tell TNZ the men met on the set of Locke’s upcoming action film *Insurrection 2*, and that they only have eyes for each other. This is the first public gay relationship for Locke, who came out a year ago, and there has been much speculation on who would finally be the one to catch his eye. According to multiple eyewitnesses, Locke whisked Prescott away on his private jet for a romantic weekend at Syn, the most exclusive hotel on the Las Vegas Strip. After pictures recently surfaced of the new couple, affectionately named PresLocke, it appears from the possessive way Locke keeps his new beau close that things are heating up. The world is watching #PresLocke, and we’ll be sure to keep you up to date on this budding relationship! Ace and Dylan’s story continues in Book Two of the Bestselling PresLocke Series.

Customer Reviews

"Because with you, I've found me." Locked (PresLocke #2) is the follow up to Aced, you need to read that one to fully understand this story, and of course get to know Ace and Dylan. Aced left us hanging at the end wanting more and needing to know what will happen with these two. Well have no fear Locked picks up right where Aced left off. Ella and Brooke's writing is truly breath taking, they collaborate beautifully together. I simple adore them as writers, and this book what can I say it was beyond amazing and perfect! So many emotions while reading this one, I laughed, cried, swooned, squirmed in my seat yes dear I say it the sex scenes totally off the charts HOT, I think my kindle overheated many times. A certain character had me wanting to punch her in the face you'll see who I mean when you read it. An added bonus old friends make appearances, I was giddy like a kid in a candy store. The paparazzi have outed Ace and Dylan while they were on their getaway to Vegas, Ace has only be out for a year now. Not one to flaunt his lifestyle around this is the first man he's been see with. The paparazzi are constantly camped outside of Ace and Dylan's homes, the film studio, basically everywhere the two go. They are never left alone. It seems they are focused on Dylan because he has captured the attention of the famous Ace Locke. Of course Ace is worried how this will affect Dylan he's not one for all of this attention. Dylan doesn't let it phase him one bit he's all in no mater what the circumstances are. Their lives are no longer private everything they say or do is published to the internet/rag magazines they can't keep up with all of it, it's enough to make your head spin.

Book #2 in this great series. Remember what happened in the first book? Ace and Dylan have just been caught by a paparazzo in their Vegas hotel room. And now it's Crazy-Town wherever they go. The paps are camping outside Ace's house, Dylan's apartment-building, the film-studios. They're everywhere! And Ace is worried that it will be too much for Dylan - he's not used to photographers following him. But Dylan very quickly promises Ace that nothing will ever be able to keep him away from him. He will learn how to live the life of a Hollywood-Superstar-Boyfriend. But will he really be able to handle all that pressure? And will Ace be able to handle the guilty feeling that it's all his fault that Dylan has to go through all this mess? But Ace is kind of the only one suffering; Hollywood still doesn't like their action stars to be gay - Dylan's getting jobs all over the world now that he's been seen with the Hollywood superstar! Will the young love survive all that drama?? And added to all that, what will happen when your past comes back to stir up trouble!?!? WHAT WILL HAPPEN WITH ACE & DYLAN? WILL THERE BE A HEA? WILL THERE BE A CLIFFY? No Cliffy, but we're not yet done with our 2 darlings!!! YAYYYY _____ I LOOOOVED THIS

STORY!We're finally back with our two boys.And the second book was just as adorable as the first one!We have LOTS of very sexy moments....And so many frustrating paparazzi moments ...We constantly hope that Dylan will not run away from it all...We're hoping all through the book that nothing bad will happen to Dylan and Ace....

Locked (PresLocke #2) by Ella Frank and Brooke Blaine4.5 stars!!!â œBecause with you, Iâ™ve found me.â •Ella Frank and Brooke Blaine together are deadly, deadly for your heart and your ovaries. They certainly go for the jugular in Locked and delivered a swoony read from start to finish. Despite the highs and lows in this book I had a permanent grin, I giggled, I swooned, I laughed but most of all I loved and loved hard.Sometimes though even the closest couples have a little miscommunicationâ |â œAre you trying to say you want me to knock you up? Because, Dylan, I have to tell you, I have some pretty powerful boys at work, but no amount of horny goat weed is gonna make that happen.â •I laughedâ |hard!Locked continues on from Aced with the whistle well and truly blown on Ace and Dylanâ™s relationship. Ace is naturally worried about the implications and repercussions this will have on his relationship with Dylan insofar as will Dylan will be able to cope with the notoriety, the paparazzi and untruths that the media will now frenzy upon. Dylan though steps up to the plate in more ways than one as it seems that Ace has more to worry about than him.â œYou, Dylan Prescott, are worth every scandalous thing thatâ™s about to be writtenâ |â •Dylan takes everything in his stride despite the pressure he now finds himself under, the love he has for Ace is the one anchor he needs to keep himself tethered to reality. Having been outed as the other half to Ace Locke, Dylanâ™s career is propelled into the stratosphere yet Dylan cannot help but feel that these opportunities are only coming because of Ace and if thatâ™s the case, he doesnâ™t want them.
