Truly thankful for the Biskinds and their endless wealth of knowledge. #divinemindcode strong!

I have been waiting for this book to come out in the series of PLATINUM!! I am so glad it has come out now. Awareness was an easy to read practical book, that decoded a lot of how the mind works for me. It's like I was given a step by step blueprint on what I need to do to have the true success I have always wanted. Another key piece to the puzzle of life has fallen in to place for me. It's like part of the code keeps unlocking and enables me to live a truly fulfilling, joyful life. After reading the book I felt a total sense of blissfulness come over me yet I felt aware of everything in my sphere. Thank you Sandra and Daniel Biskind for writing the codes. :) Can't wait for the next book!

The best book in the Codebreaker Platinum Series so far in my opinion.....The book gives a clear view of the process and methodologies behind this amazing transformation process. This book and the process behind it will not stop s*** happening in your life!!! It will help you to neutralize the emotional charge that comes from life's challenges and allow you to deal with "stuff" gracefully and elegantly. Why do I think it's the best book so far...? Because to truly have Peace and Love in your life, first you must have Awareness....Awareness of your self sabotaging programs that prevent our "Best Self" from emerging and thriving. Buy the book...just do it!
