Customer Reviews

Sugar sweet like brownies with buttercream icing. I loved the romance and the tender way the lovers touched and talked to each other. Of course I must comment about the incredibly hot sex and the vivid picture Amelita painted of there lusty endeavors. I felt like I was a perverted voyeur actually in the room watching first Sky pleasuring himself and then the two lovers enjoying each other's

company. I see a cold shower in my immediate future. Another great work of art from Amelita...fluff and smut...it does not get much better than that!!!

I loved every moment in this story. Short, sweet and fluffy, this is a perfect read on a beautiful day while lounging about. Amelita as always delivers. Her characters leap into life you feel like you already know them. The omake was a perfect way to end things although being my selfish self, I wish the story was longer.

This story is incredible! The unrequited love that turns out to be mutual was a sweet and refreshing concept, that Amelita has done masterfully in this short fluffy tale. I would recommend this story not only to yaoi fans of all ages but to people who are both seasoned veterans and new to the yaoi genre.

This was so, so sweet. The uncertainty, in both of them. Taking a huge leap and then the strength found. The extra omake just made this perfect. There's problems to come for sure but this was just about those butterflies in your stomach and the deliriously happy phase in the beginning.

This was my first time with Amelita Rae and she was good!! Ill be looking for more of her work. If a quickly is all you have time for, try this one! Great read, easy to follow and a HEA. Doesn't get much better than this.

i sooo loved it... it was quite predictable...since the title was very obvious!!! but it was soo fluffy and sweet... and not to forget the art was soo beautiful...and no matter what u name them... there are always aki x ryo to me!!! to me the best part of this work was...when the older one confronts the younger one of what he saw!!!.... awww...it was the perfect moment i say!! i just melted!!! i bought it around 6.45pm and finished it by 7.20pm ...i loved it... thanks a lot!!! and please write more!!!

Amelita Rae once again delivers a great story. Full of innocent pure love and hot dirty sex, what's there not to like? A story of cute childhood friends becoming lovers. Keep in mind this is a short, so it's not long but it so oh very sweet. It has tidbits of everything, and is delivered in a very neat package. It's a super fun, super quick read that satisfies your craving for boy love.

So sweet it hurts. The I didn't realize how much I needed some fluff in my life till now. This literally

made me squeal(on the inside - otherwise my mom would ask me why I am squealing like a little girl and that could get awkward ï ~â~ï ¿â~ï >ï %). I honestly enjoy your work so much and get excited every time you update/put up new work. I don't think I haven't genuinely loved anything you've written and this is no exception. The only thing I can complain about is the story being to short(I understand that they're shorts but your ideas and execution are just too good). Thanks for all your hard work xx
