Customer Reviews

Helpful for Bio. However, I'm anticipating these will be even more beneficial for A&P. They are laminated, which should prove to be durable. Time will tell.

Typically nice chart, as all BarCharts are. Handy for quick reviews without lugging a backpack full of books, and a good compliment to wall-size posters.

ordered, shipped quickly, nothing wrong with it at all, worked well for my purposes. I would order it again. thanks used for patient education

A quarter size of the other pamphlets ordered. Not to waste \$\$\$. Hard to read. Very disappointing, otherwise information was okay.

ordering 12 more for the fire department personnel

Wonderful and very useful studyguide!

I like very much. Thank you.
