Product Dimensions: 8.3 x 1.1 x 10.9 inches

Shipping Weight: 1.8 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars. See all reviews (3 customer reviews)

Best Sellers Rank: #811 in Books (See Top 100 in Books) #2 in Books > History > Historical Study & Educational Resources > Study & Teaching #5 in Books > Education & Teaching > Higher & Continuing Education > Test Preparation > Advanced Placement #8 in Books > Education & Teaching > Higher & Continuing Education > Test Preparation > College Entrance

Customer Reviews

APWH was my first AP class/exam, and it was a success thanks to the 2016 Princeton Review book! I was debating whether to get Barrons or Princeton, but I settled on Princeton just because my friends recommended it to me. I'm sure Barrons is great too, but I am in love with Princeton Review. I scored a 5!!!THE CONTENTI'm sure all of the review books are like this, but I really find it handy that they separated the content by time period. Again, I'm sure all the other books did the same, but it just made it more organized and for me, really easy to understand and remember what I had learned months before. I had sticky notes everywhere, and that made the book more organized and easier to handle when going back to specific events. I reviewed with this book 4 weeks before the actual exam. It helped tremendously with remembering what I had forgotten. At the end of each section, there is a timeline and a list of the vocabulary words. I found it really helpful to go back to the ends of the sections to review without reading the entire chapter! I recommend, as you are reading, to highlight vocab words and make notes in the margins. There's plenty of space to write, so no need for sticky notes! All in all, I found the content to be extremely helpful in terms of remembering and learning the events and facts that occurred in each section.THE PRACTICE TESTSOkay, there's one thing I need to stress. The practice tests were more challenging than the actual exam (to me, at least). It wasn't a problem finishing everything within the time limit because the book holds strategies for time management. The questions were just very hard to remember. Even at the end when I finished reading the entire book, I had trouble answering the questions. Don't panic like I did!
