Customer Reviews

The Only Recovery Book Necessary. If you are participating in any kind of 12 step Recovery this is a must. Without God everything else is a false substitute and continued failure. Each step has scripture associated to ponder you thinking to close the gap and new behavior change. I recommend it for all who I sponsor and use the workbook too. It is the main book in all of my AA materials. I do not use it in the AA groups but with those who I support and walk with in this time of recovery. Addition is hell and most people do not have a clue who are on the outside of it and looking in....

Thank u sooo much 4 your great service! LOVE this Bible SO much! I own the original as well. This is easier to read! GOD BLESS!! I have purchased the original version many times over the yrs &

have given them with love & many prayers to friends, hoping they will enjoy it as much as I do! It's so much easier to read & comprehend (esp w/footnotes & steps, sidebars, etc) that everyone I give it freely to, raves abt it & tells me they have never actually found a Bible they can truly understand with ease? That goes 4 me, too!! I always yell all the several friends I've gotten this for.. "JUST PAY IT FORWARD"!! - I FULLY & HONESTLY RECOMMEND THIS PARTICULAR BIBLE TO ANY & ALL CUSTOMERS!!! Thank you so much for your quick delivery, as it was prep ordered by me & wasn't supposed to even be available until a very later date & I was SO excited to receive it so quickly, that the 1st day it arrived, I bike my neon hi-lighters & fover into God's Word, & haven't & will never stop!

I first began with this Bible after 6 months in OA. Clearly, it is one of the best Bibles for 12 Steppers! I love the Step/Recovery comments, and have lost 100 pounds in 10 years with this Bible. I have also quit gambling, and that was hard, because I am retired now! But God has been with me through out my Recovery, and with the support of my family, my Higher Power, and this Recovery Bible I am "trudging the Road of Happy Destiny!"

This is my favorite Recovery Bible, and I was thrilled to see it would be in large print. But honestly, this book is so huge, so bulky, it's inconvenient to take anywhere for a Bible study, and it's too weighty to add to your purse, it's best to drag it alone, solo, or you could end up with a real back ache. Otherwise, the content is perfect. I love how organized it is, how well the different devotional sections are separated so you can decide how you want to approach your recovery studies at any given time. The Step devotions are cleverly posted at the place of scripture so it makes reading the reference material a breeze! This Bible is a no-nonsense approach to the issues held in recovery, and is honestly the best Bible to deal with anything that is a hurt, habit or hangup!

Wonderful, wonderful. The print is so easy to read. I have this Bible in the regular print and I had to strain to read the notes, not now. Also, received this in the time promised and in good condition.

The Life Recovery Bible is the foremost annotated version of The Holy Bible which highlights specific recovery issues of alcoholics and addicts of all types. In 1896 a British Catholic priest in China assembled 6 steps of recovery for opiate addicts. The steps were derived from the books of Matthew, I Corinthians, and James. His work saved untold numbers of prisoners of opiate dens. The six steps were so successful that he sent them back to England where a few more steps were

added. By the early 1930's, the steps to recovery made it to America to a group known as The Oxford Group. By the late 1940's and early 1950's, two Americans: Bill W. and Dr. Bob, had written the now landmark: Alcoholics Anonymous. By the early 60's Narcotics Anonymous was written. Later, Emotions Anonymous, Overeaters Anonymous, and Sexaholics Anonymous were published.. Today, the word "dependencies" replaces specific forms of addictions. The Life Recovery Bible is the one Bible that unites all groups under the standard of The Twelve Steps. All twelve steps were derived from The Holy Bible. The Life recovery Bible includes a variety of 12-Step focused essays, comments, references, and encouragements for any person seeking to recover from any addiction. This large print version is a comfortable softback, easy to read, and economical answer to Christians with addictions needs, to families and friends who seek to understand and help, to professional counselors who require a Bible in dealing with recovering alcoholics and addicts who are Christian oriented. In the largest sense, The Life Recovery Bible is for anyone who wants to claim or regain his or her life, recovering it from whatever catastrophes. At the core, God, as you understand him, is the enabler of recovering and or restoring broken lives.

This is a complete integration of the 12 steps of AA, and life in general. I have found sources in the Bible for each step and clarification also of each book of the Bible, it's intended audience at the time, who actually wrote each book. It has been a source of understanding better the 12 steps and deepens my commitment to sobriety and success in life through trying to abandon my will in favor of God's and the understanding that He has only my happiness and that of the world in mind, through Grace, Forgiveness and steadfast Love. I have recommended this Bible to many friends and those who have purchased it have been helped by it. I will use it for the rest of my life - and in helping other persons with addiction/alcoholism through the 12th step. Buy it, it is an excellent resource.
