Alcoholics Anonymous: The Big Book Spanish Edition - Hardcover

Synopsis

Pide el texto clásico de AA junto con tu literatura de OA. El Libro Grande de AA esboza los principios de la recuperación de los Doce Pasos y cuenta las historias de aquellos que encontraron la recuperación practicándolos. This is the classic text guiding the fellowship of Alcoholics Anonymous. This third, expanded edition relates how millions of men and women have recovered from alcoholism. Though the basic text as it appeared in 1939 remains unchanged, the personal stories in Part II have been expanded and are of special interest to those who may not be sure that they are alcoholic.

Customer Reviews

This is the text that explains us how the miracle of the XX century was done. This book is about how a group of addicts or alcoholics found the way, between them, helping each other, to control the way of drinking and behave. Alcoholism is an illness that does not have a cure; even though, Alcoholic Anonymous has shown the world, with their meetings and with this exceptional book, how an incurable sick person can live, in the middle of the world, following 12 simple steps. The Pope John Paul II named the AA as the miracle of the century because those with this evil disease can be available to reinsert normally to the world, one day at a time. This book show us, not only the traditional AA Big Book; this new third edition in Spanish has three appendixes with compartments of experiences of people that live in a regular recuperation and confirm us how an alcoholic can have a new and a better life. I recommend this book widely not just for addicts, but for their families

or friends. Itâ™s an excellent text for psychologists, medical doctors, therapists and everyone who is interested in the addiction theme. Este es el texto que nos explica cÃ mo se hizo el milagro del siglo XX. Este libro es acerca de cÃ mo un grupo de drogadictos o alcohÃ licos encontrÃ el camino, entre ellos, ayudÃndonos unos a otros, para controlar y comportarse. El alcoholismo es una enfermedad que no tiene cura; Aunque, AlcohÃ licos AnÃ nimos ha demostrado al mundo, con sus reuniones y con este excepcional libro, como un enfermo incurable puede vivir, en medio del mundo, siguiendo 12 sencillos pasos.
